

Sports Premium Funding 2018-19

In April 2013, the Government announced new funding of £150 million for physical education (P.E) and sport. This funding should be used to improve the quality and breadth of P.E and sport provision.

Funding will be allocated to all maintained and state-funded schools with primary phase pupils, including; primary, middle, special and non-maintained special schools, academies and pupil referral units from 1st September 2013.

Schools are free to determine how best to use this funding to improve the quality and breadth of P.E and sports provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

At South Walney Junior School we already have a strong sporting history and we aim to continue to develop this by using specialist coaches, further participation in inter-school competitions, staff training and updating resources.

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. In 2017/18, schools with 17 or more eligible pupils received £16,000 and an additional payment of £10 per pupil.

School Planning- Provision/Resources
<ul style="list-style-type: none">• Opportunities for staff to attend training in order to ensure 'upskill' staff, improving confidence and good practise in all areas of P.E curriculum.• P.E subject leader to be released to attend local networking meetings designed for schools to share ideas and good practice.
<ul style="list-style-type: none">• Monitor the use of the new skills ladders to check on progress throughout the year groups in each aspect of P.E.• Opportunity for the P.E subject leader to be released to monitor the overall progress of P.E skills and recognise any gaps in learning.
<ul style="list-style-type: none">• To release staff ensuring that pupils can attend a wide range of sporting opportunities throughout the year.
<ul style="list-style-type: none">• To extend our range of extra-curricular opportunities across the year groups to include before school and lunchtime clubs.
<ul style="list-style-type: none">• Use external coaches to work alongside staff to provide high quality P.E sessions; Stefan Jones- Hockey & Tennis (Years 3&4) Paul Rawlinson- Golf (Years 4&5)

Selwyn Wright- Orienteering (Years 5&6) Barrow AFC (All year groups)
<ul style="list-style-type: none"> • Ensure that P.E resources are readily available and of a high quality to enable high quality P.E and wide ranging extra-curricular opportunities.
<ul style="list-style-type: none"> • To help subsidise residential and daytrips which incorporate outdoor and adventurous opportunities. (Year 3 & 5).
<ul style="list-style-type: none"> • Opportunities for physical activities outside of P.E lessons (trampolining).
<ul style="list-style-type: none"> • Maintain external recognition for the high quality P.E and sport provision which is already provided at South Walney through the School Games Kitemark.

Intended Impact

All teaching staff to have opportunity to attend any training they feel is necessary. Subject Leader to be released to attend Subject Leader Meetings (held termly). Monitoring of staff will show up any areas which could be targeted through courses or working alongside coaches. Possible CPD opportunities discussed at subject leader networking meetings.

Dance has been highlighted as an area for development in school. One teacher in school is an experience dance teacher and her expertise will be utilised.

Staff will have opportunities to work alongside experienced coaches in a range of sports. Staff movement across year groups means that that several staff will be upskilling in new areas.

Full inventory of P.E resources in Autumn Term to ensure resources are of suitable quality and quantity to allow all children to participate in lessons.

Children have been given opportunities to take part in a range of competitive sports during school time including; football, tag rugby, hockey, tennis, orienteering and athletics. Funding helped subsidise transport to Cumbria School Games in July for our Hockey team.

Increased extra curricular opportunities will provide increased opportunities for all children. In academic year 2017-18, this figure was 85% (children counted multiple times if attending multiple clubs. This number should increase further this year with more sporting opportunities for lower school and more opportunities to be targeted towards Less Active children.

Introduction of Sports Council to give the children more involvement in organising intra school events including the Swimming Gala and Sports Day. In Spring Term, look into developing an early morning club based around the 'Change for Life' initiative.

Sports Council will be responsible for organising 'Level 0' competitions at break time which involve the children being active and trying to beat their own targets.

Using the new assessment proforma to track children's progress in P.E sessions.

Those children in upper school who are not yet hitting the national standard will swim each week for a full term to ensure they are confident swimmers.

Subsidising the Year 5 residential afforded those who chose to attend an opportunity to try a range of different activities (canoeing, gorge scrambling) within a safe, supportive environment. Feedback from the children and parents was extremely positive and this will continue.

School will look into the acquisition of a Sports Apprentice to support and improve our P.E and sport provision in school.
